Three men were discussing at a bar about coincidences. The first man said, " my wife was reading a "tale of two cities" and she gave birth to twins"

"That's funny", the second man remarked, "my wife was reading 'the three musketeers' and she gave birth to triplets"

The third man shouted, "Good God, I have to rush home!" When asked what the problem was, he exclaimed, " When I left the house, my wife was reading Ali baba and the forty Thieves"!!!

A guy was driving when a policeman pulled him over. He rolled down his window and said to the officer, "Is there a problem, Officer?"

"No problem at all. I just observed your safe driving and am pleased to award you a \$5,000 Safe Driver Award. Congratulations. What do you think you're going to do with the money?"

He thought for a minute and said, "Well, I guess I'll go get that drivers' license."

The lady sitting in the passenger seat said to the policeman, "Oh, don't pay attention to him - he's a smartass when he's drunk and stoned."

The guy from the back seat said, "I TOLD you guys we wouldn't get far in a stolen car!"

At that moment, there was a knock from the trunk and a muffled voice said, "Are we over the border yet?"

A man who was just married was flying to the Florida Keys for a business trip. His new bride was to accompany him the next day. When he got there he E-mailed his wife to let her know he made it there safely. When he sent the E-mail he miss-typed the address. In Boston, a grieving widow, whose husband has recently passed away, receives the E-mail. She reads it, screams, and faints.

Hearing her grandmother's cry, the widow's 18-year-old granddaughter runs into the living room to see the computer on with a message. It reads:

The boss of a big company needed to call one of his employees about an urgent problem with one of the main computers. He dialed the employee's home phone number and was greeted with a child's whispered, "Hello?"

Feeling put out at the inconvenience of having to talk to a youngster the boss asked, "Is your Daddy home?"

"Yes," whispered the small voice.

"May I talk with him?" the man asked.

To the surprise of the boss, the small voice whispered, "No."

Wanting to talk with an adult, the boss asked, "Is your Mommy there?"

"Yes", came the answer.

"May I talk with her?"

Again the small voice whispered, "No".

Knowing that it was not likely that a young child would be left home alone, the boss decided he would just leave a message with the person who should be there watching over the child.

"Is there anyone there besides you?" the boss asked the child.

"Yes" whispered the child, "A policeman."

Wondering what a cop would be doing at his employee's home, the boss asked, "May I speak with the policeman?"

"No, he's busy," whispered the child.

"Busy doing what?" asked the boss.

Talking to Daddy and Mommy and the fireman," came the whispered answer.

Growing concerned and even worried as he heard what sounded like a helicopter through the ear piece on the phone the boss asked, "What is that noise?"

"A hello-copper," answered the whispering voice.

"What is going on there?" asked the boss, now alarmed.

In an awed whispering voice the child answered, "The search team just landed the hello-copper."

Alarmed, concerned and more than just a little frustrated, the boss asked, "Why are they there?"

Still whispering, the young voice replied along with a muffled giggle, "They're looking for me."

A new miracle doctor was in town. He could cure anything and anybody, and everyone was amazed. Everyone except for Mr. Smith, the town's grouch. So Mr. Smith went to this 'miracle doctor' to prove that he wasn't anybody special. So he goes and tells the doctor, "Hey, doc, I have lost my sense of taste. I can't taste nothing", so what are you going to do?"

The doctor scratches his head and mumbles to himself a little, then tells Mr. Smith, "What you need is jar number 43." Jar number 43? Mr. Smith wonders. So the doctor brings the jar and tells Mr. Smith to taste it. He tastes it and immediately spits it out, "This is gross!" he yells.

"I just restored your sense of taste Mr. Smith," says the doctor.

So Mr. Smith goes home very mad. One month later, Mr. Smith goes back to the doctor along with a new problem, "Doc," he starts, "I can't remember!"

Thinking he got the doctor, the doctor scratches his head and mumbles to himself a little and tells Mr. Smith, "What you need is jar number 43..."

Before the doctor finished his sentence, Mr. Smith fled the office.
